

The following pages list Lake Ridge Meadows ARB approved paint colors for houses. The colors listed on the first page are from the Sherwin Williams **Concepts in Color** collection but we do not have samples available for those colors. The remaining pages are color samples from the Sherwin Williams **Fundamentally Neutral** and **Essentials** collections. Any color marked with a red asterisk (*) may **not** be used as the main house color. If homeowners wish to use a brand of paint other than Sherwin Williams, they may have approved colors color-matched in their chosen brand.
